

Corporate Profile

Tri-Ed / Northern Video Distribution

As North America's largest independent security distributor, Tri-Ed / Northern Video Distribution provides state-of-the-art solutions from the industry's leading manufacturers of CCTV, IP, fire, intrusion, access control, sound, communications, structured cable and home automation products.

Our sales team, network specialists and business development managers are dedicated to educating customers on new offerings and applications. Tri-Ed / Northern Video's Technology Roadshows and IP Video Tech Tours are just part of our ongoing commitment to educate customers on the latest video technologies and installation opportunities. Our vendor partners also present ongoing trainings at our branch locations to keep customers competitive and ahead of the technology learning curve.

Tri-Ed / Northern Video continues to expand its products lines, branch locations and staff of trained professionals. Customers can make purchases online through our ecommerce site or visit any of our retail locations to check out and demo our products in person. Our full line of offerings is showcased in our annual catalog of products, as well as a specialty IP catalog.

With 46 locations across the U.S. and Canada, Tri-Ed/Northern Video offers personal customer service, technical systems support, flexible credit terms, next-day shipping, ongoing training programs and the industry's richest rewards program, Great Expectations. Everyone at Tri-Ed / Northern Video works passionately to exceed expectations, one customer at a time. For more information please visit www.tri-ed.com.
